**Applicant's Statement**

I understand and agree that nothing in this application shall constitute an offer, a contract or a guarantee of employment for a specific period of time. If hired, I understand that my employment with the Company is on an at-will basis, which means that my employment may be terminated with or without cause and with or without notice at any time, at the will the Company or me. I further understand that no representative or agent of the Company, other than the **Corporate Secretary**, has the authority to enter into any agreement for employment for any specific period of time or to make an agreement contrary to the foregoing. I also understand that any agreement modifying my at-will employment status must be in writing and signed by the **Corporate Secretary**. I give the Company permission to contact all or any of my previous employers and references and authorize them to disclose any information the Company may request in the course of its investigation of this application for employment and I hereby release the Company and such references and prior employers from any and all liability with respect to such disclosures.

After a tentative offer of employment has been made, if requested by the Company, I agree to take a job-related medical examination at no personal expense and authorize the examining physician to disclose the findings to the Company. I understand that any offer of employment is conditioned upon receipt of satisfactory references and satisfactory completion of any such job-related medical examination. I also understand that I may be requested now or at any subsequent time during my employment with the Company to submit to drug and/or alcohol tests, at the Company's expense. I understand that if I refuse to take the test, my employment may be terminated immediately. I also understand that if a conditional offer of employment is made, the Company performs criminal background checks. A criminal conviction will not necessarily exclude me from consideration. Rather, each situation will be addressed on an individual basis, consistent with applicable law.

I have provided truthful and complete responses to all inquiries in the application and authorize the Company to investigate all statements contained in the application. I understand that the discovery of any falsification or omission constitutes a ground for immediate dismissal or refusal to hire. If employed, I will abide by the Company's rules and regulations, which I understand are subject to change by the Company.
